ACKNOWLEDGEMENTS:

Thank you to the students for working so hard this year. We have had a lot of fun making music and I hope you have learned as much as I have in the process! Thanks especially to the 8th grade students for your patience, leadership, and sense(s) of humor!

To the school board and administration...thank you for supporting the music as we attempt to rebuild after the pandemic. Your support of the students will be a large part of why we come back and with that support can be even stronger than before!

Music staff...thank you for your help with tonight's concert and your cooperation throughout the year! A special thanks to Mr. Kesser and Mrs. Prutz for assisting with tonight's logistics and tuning.

Have a great summer!

Mr. Smeal
